<sup>1</sup>University grants or scholarships are based on established criteria as published in the University Catalog and are awarded after verification that the conditions of eligibility have been met. Students receiving a grant or scholarship must continue to meet the eligibility requirements for the program. <sup>2</sup>The ability to reduce time in school and/or reduce tuition towards the full cost of a degree program depends on the number of CTU Fast Track™ exams successfully passed. Fast Track program credits are non-transferable. Not all programs are eligible for possible reduction in time and money. Courses eligible are subject to change. Students should not rely on potential Fast Track savings or eligibility when making an enrollment decision. Colorado Technical University Fast Track exams are available only to CTU students. CTU cannot guarantee employment, salary or career advancement. Not all programs are available to residents of all states.
